

There's a smarter way forward.

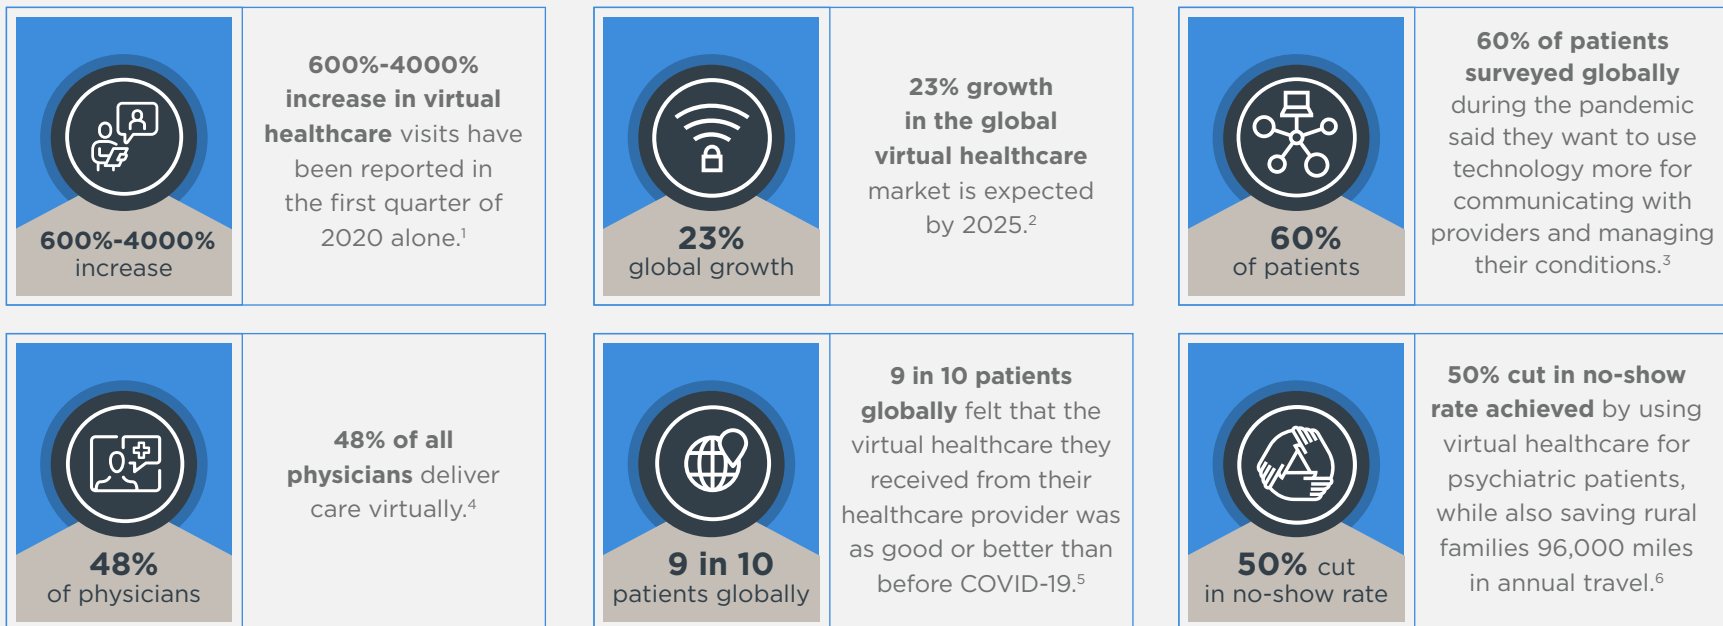

Smarter
technology
for all

Lenovo

Healthcare providers are rethinking workflows to combine mobility, security, and patient/provider safety in the rapidly shifting environment. Innovative technology solutions are needed to quickly triage patients, make virtual rounds, collaborate with colleagues, and manage chronic disease patients. In partnership with the built for business Intel vPro® platform, Lenovo has created the **Smarter Way Forward** campaign to help you navigate virtual healthcare delivery for improved care.

Virtual is the new reality.
